New Year, New Town Manager

"I am honored to be chosen by the Town Council to be Newburgh's Town Manager."

- Lori Buehlman

Lori S. Buehlman was chosen by Town Council at the October 16, 2012 Council meeting as our new Town Manager.

Lori graduated from the University of Evansville with a Master's degree in Public Administration. Before becoming Town Manager, Lori spent 4 years as the Chief of Staff for the City of Vincennes.

Lori officially took over as Town Manager on January 7, 2013.

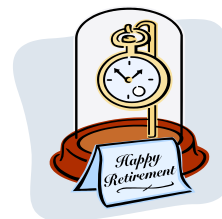

Town Council Elects New President

Tonya R. McGuire was elected as the Town of Newburgh's 2013 Town Council President. Tonya was elected to the Newburgh Town Council in November 2011, and began her term in January 2012. She is excited for her upcoming year as President.

Sad Good-Byes...

After more than seven years as Town Manager, the Town was sad to say good-bye to Town Manager Cynthia E. Burger. As of January 7, Cynthia is officially retired, so if you see her out in the community, wish her a happy retirement!

Treelane Drainage Project

The pictures below are from one of the drainage projects that were completed in 2012.

The Town's Street Department was able to excavate and correct the drainage issues on Treelane Drive.

Summer Help Wanted

The Town of Newburgh will begin accepting applications for Summer Help the end of February. Watch the newspaper for our Help Wanted advertisements for details on how to apply.

For those interested in being a lifeguard, you can pick up the application from Town Hall beginning February 1st.

Reduce...Reuse...Recycle

Do not forget that household recycling is picked up on a Tuesday bi-weekly schedule. Residents who live West of State Street are on the A Week schedule, and residents who live East of State Street are on the B Week schedule. We have included a copy of the 2013 recycling calendar. You may also view the calendar on our website at www.newburgh-in.gov.

Please continue to place all household recyclables in the Allied Waste Management carts to ensure proper pick up.

For more detailed information on Warrick County Recycling Resource Management, follow them on Facebook.
